Retail Unit 1
London Bridge Station, SE1

A unique retail opportunity in the heart of London Bridge Underground Station. The unit is situated in an extremely prominent position within the ticket hall as you enter the station from Duke Street or when you exit the ticket barriers. The unit is a good size and benefits from a return frontage that runs along the exit to Duke Street. The unit is in shell condition with capped off services.

London Bridge is the fifth busiest station on the TfL Network, bringing around 56.8 million passengers into the City each year. The subject unit is located in the unpaid section of the ticket hall and will have a high volume of footfall traffic passing throughout the day, but it is especially high at peak times. London Bridge underground station serves the northern and jubilee lines.
