Retail Unit Southgate Station, N14 5BJ

Places
for
London

The TfL Property
Company

Southgate underground is serviced by the Piccadilly line and is located between Arnos Grove and Oakwood stations in Travelcard Zone 4. The wider station is a bus and underground interchange, and the main building sits on an island site between Southgate Circus and Station Parade where a series of bus stops are located.

The subject unit occupies a prominent position on Station Parade with an entrance at the front and back of the property and benefits from sole frontage onto the walkway between station parade and Crown Lane. It has a glass frontage on three sides onto the bus station, underground station and walkway between Station Parade and Crown Lane. The interior of the unit is in a semi stripped out state with partitioning creating internal toilets, storage and a kitchen in one corner and a fitted counter and kitchenette within the open plan sales area.

Zone 4

London Underground station

3.78 million

Annual Station Footfall
