Discover new character retail, restaurant and bar space in West London

White City is undergoing a transformation and, as part of this, Places for London is regenerating 13 railway arches to create a destination for eating, socialising, shopping and working.

These newly regenerated, double frontaged arches open onto both Westfield Square and Berkeley St James's stunning new 5-acre park.

With dome-shaped windows and lined walls and ceilings, the arches create a uniquely quirky space within popular White City, ready to be moulded to your equally unique brand.

With the added benefit of potential outdoor seating (subject to separate licences) and generous trading hours, the arches would make a perfect home for cafe, bar, restaurant and leisure concepts.

5,000 new homes,
2.2m sq ft of offices
in the next 10 years

Be a part of West London's most exciting new neighbourhood

White City has transformed completely – creating a vibrant mix of top quality residential, office, retail and public spaces.

You will see a range of customers from shoppers and office workers to local residents and students all looking for something a little different. Due to the mixture of crowds the area stays busy throughout the week and into the weekend.

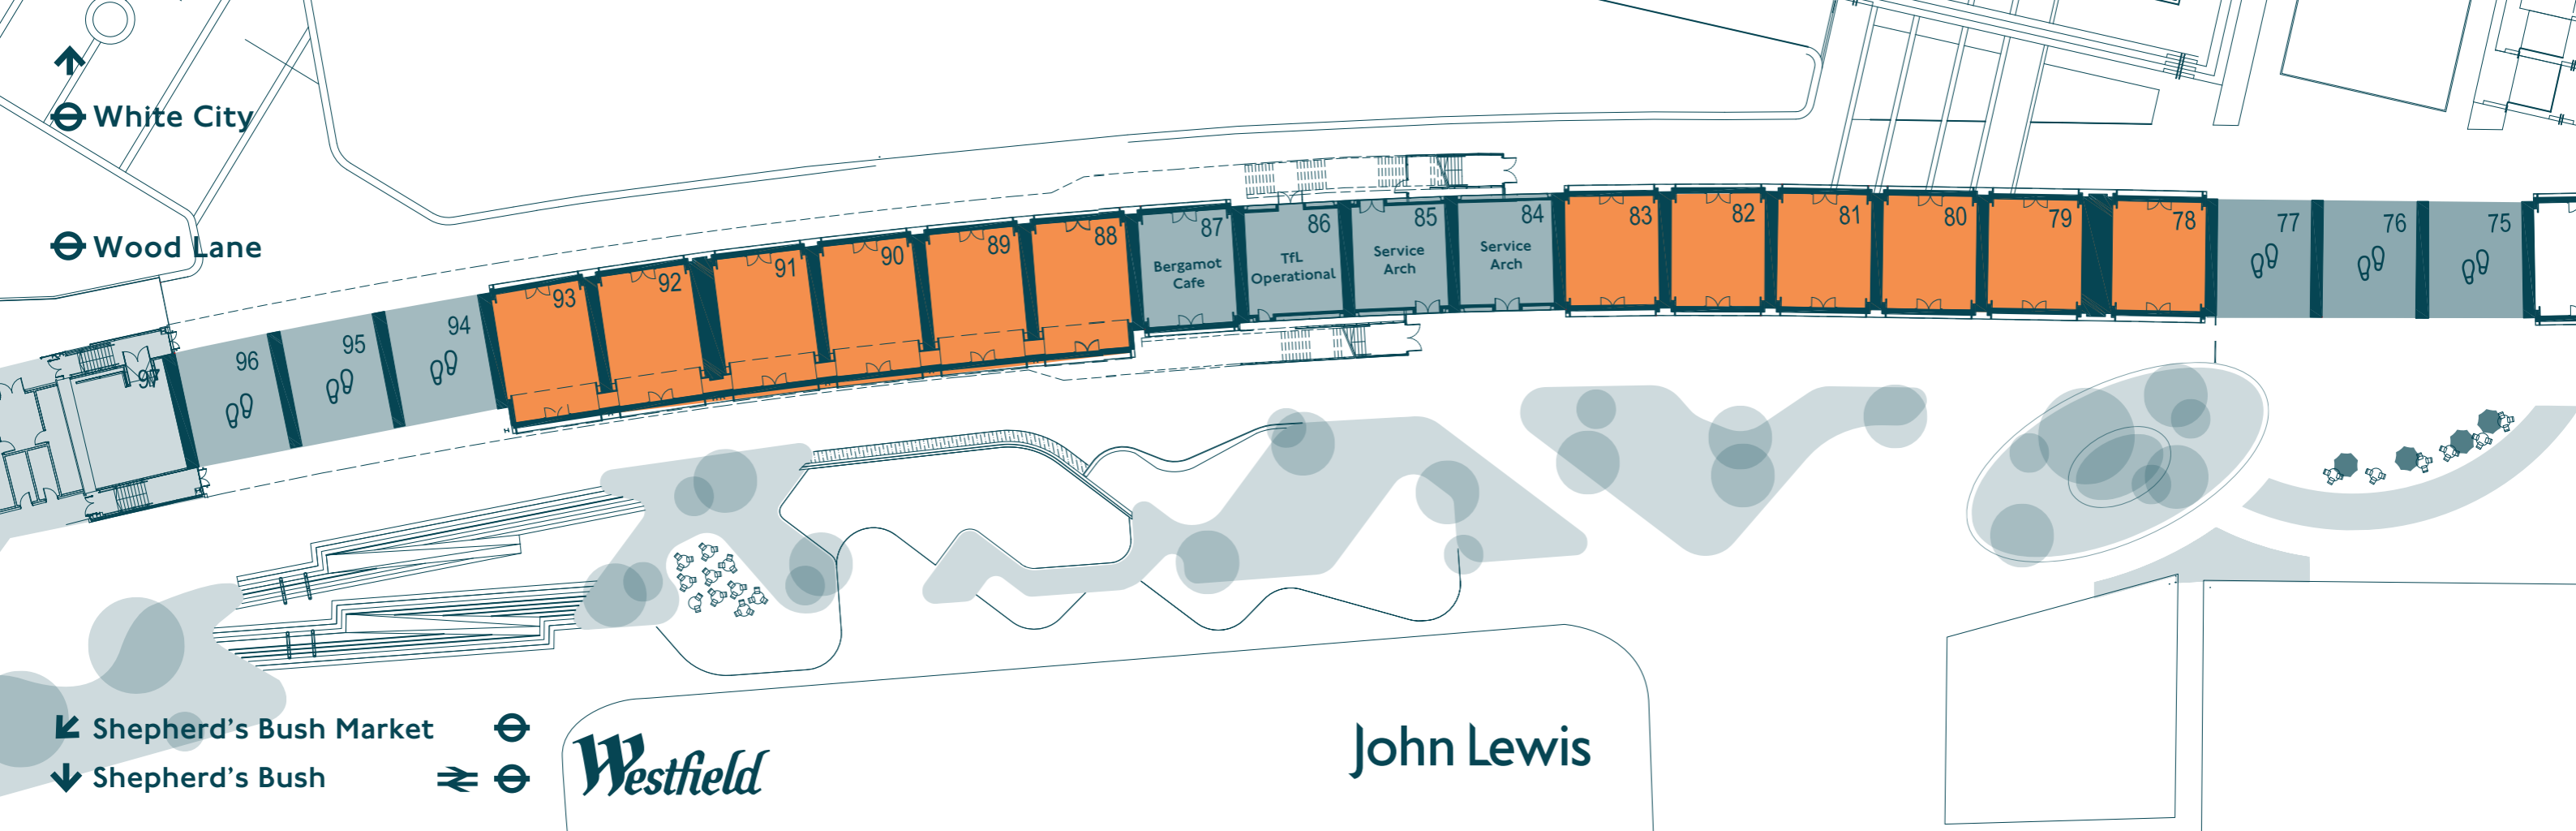

Located adjacent to John Lewis and opposite Westfield Shopping Centre, the largest shopping centre in the UK, Wood Lane Arches are also next to Wood Lane station, a 3-minute walk from White City Underground station and only 150m from White City Bus station.

Your arch, your adventure

A new 5-acre public park borders the arches to the north as part of **St James's White City Living** development of 2,500 new luxury homes. Tenants of the arches are able to enjoy aspects to Westfield and the park with opportunities for outside seating on both elevations.

Within a couple of minutes' walk from the arches **Soho House** private members club and **Electric Cinema** form part of an exciting mix of new occupiers within **Stanhope's** redeveloped **BBC Television Centre**. High end flats and office space make up the other parts of this development, including a new HQ for **The White Company** and **Publicis**.

Also within short walking distance **White City Place** has established itself as a hub for fashion and tech office occupiers with a line-up including **Yoox Net-a-Porter**, **Ralph & Russo**, **Jellycat**, **BBC Worldwide**, **ITV** and **Huckletree Co-Working**. **Imperial College London** are developing a 23-acre campus bringing together world-class researchers, businesses and partners from academia to work, share ideas and turn cutting edge research into benefits for society.
